Arrangement pour quintette de saxophones

saxophone alto saxophone baryton saxophone soprano saxophone ténor

The image displays a musical score for five saxophones, arranged in two rows of three staves each. The top row of staves is labeled 'Android' and the bottom row is labeled 'iOS'. Each row contains a QR code in the center, flanked by musical staves. The staves are empty, suggesting a placeholder for the musical notation. The QR codes are black and white, and the text 'Android' and 'iOS' are in a simple, sans-serif font.
