The image displays a musical score for the song "Jingle Bells" arranged for a quintet. The score is written on five staves, each consisting of a grand staff (treble and bass clefs). The first three staves are grouped under the heading "Android" and the last two under "iOS". Each group of staves contains a QR code that, when scanned, likely provides access to the digital score or audio. The QR code for Android is positioned between the first and second staves, and the QR code for iOS is positioned between the fourth and fifth staves.
