The image displays two QR codes, one for the Android version and one for the iOS version of the application. Each QR code is centered between two sets of empty musical staves, suggesting a digital score or sheet music. The staves are arranged in two rows, with the top row corresponding to the Android QR code and the bottom row to the iOS QR code. The QR codes are black and white, and the text 'Android' and 'ios' are placed directly above their respective codes.
